Hi Nancy,

I hadn't noticed, but can understand when so much is going on in a District.

The plaza entertainment series has been mentioned in the last 2 or 3 eblasts in a row, which we really appreciate. And I'm sure will included in a couple more as we moves towards the end of summer.

Thanks,  
Aaron

Hi Aaron and Angelina,

2 people have already sent this email to me questioning why the "NoHo Plaza Summer Entertainment Series/NOHO BID was not mentioned? How do we make sure that we will be included as "important partnerships and collaborations that have improved the quality of life in our community," as stated in this Eblast.

Thanks for letting me know the process. Have a Great Weekend.

Dear Friend:

This past year, we've celebrated many community accomplishments and made tremendous progress in moving our city forward. In this issue of *Our Valley News*, we'll take a look back at some of those moments, highlighting the important partnerships and collaborations that have improved the quality of life in our community.

Very truly yours,

# Paul Krekorian

Councilmember Paul Krekorian, District 2

Councilmember Krekorian hosted the Traffic Safety and Speed Reduction Summit to learn about the concerns plaguing neighborhoods, and find out what solutions the city can implement to improve enforcement and make streets safer.

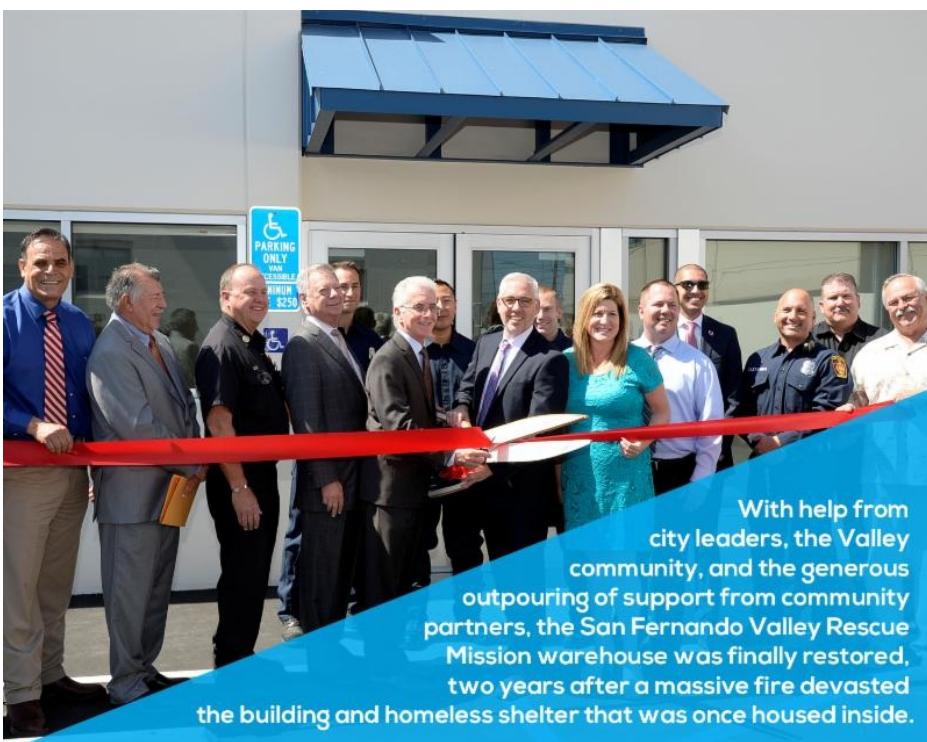

**Homeless Connect Day in the East San Fernando Valley, sponsored by Councilmember Krekorian, helps connect homeless individuals and families with the organizations and resources to help them with their needs. This year, we were able to help nearly 200 individuals and a young hopeful family who are now on their way to a better start.**

**Councilmember Krekorian welcomed Greenwood Square Park to Van Nuys. The new community resource is a wonderful space for residents, children, and the surrounding area.**

Councilmember Krekorian joined the Department of Recreation and Parks, the Bureau of Engineering, and community members to break ground on the construction of new synthetic turf soccer fields at the Whitsett Sports Fields Park.

With help from city leaders, the Valley community, and the generous outpouring of support from community partners, the San Fernando Valley Rescue Mission warehouse was finally restored, two years after a massive fire devasted the building and homeless shelter that was once housed inside.
